

## **Position: Lead Representative**

### ***Job Description***

Crown Exteriors is seeking high-energy individuals to join our growing sales team as a Lead Representative. Now is the time to join the most innovative, forward-thinking construction organization in the area. We have seen incredible growth over the past couple years as we strive to be the largest, premier construction organization in the Twin Cities and beyond. With growth comes opportunity and that opportunity is now.

As a Lead Representative, you will be responsible for canvassing prospective neighborhoods for new leads, building strategic relationships, and professionally represent Crown Exteriors.

This position provides you with an incredible opportunity to have unlimited income potential as an independent contractor.

### ***Company Information***

Crown Exteriors was founded on 6 core values: Advocacy, Integrity, Transparency, Humility, Accountability, and Growth Mindset. These core values define who we are and how we operate each day.

We are a local, established contractor that handles all your exterior needs including roofing, siding, windows, and gutters. From residential storm restoration to commercial flat roof replacements, Crown Exteriors is the preferred contractor in the Twin Cities.

If you want to get your foot in the door with a company that truly cares about you and its culture, I encourage you to take the next step with us at Crown Exteriors!

### ***Compensation***

As an independent contractor, you will be paid for the leads that you create. We keep it simple and pay our Lead Representatives as follows:

- \$250 for obtaining a new lead and approval of an inspection
- \$250 once Crown Exteriors receives the down payment for the project

### ***Responsibilities***

- Canvass areas that have been impacted by recent hail storms
- Build strategic relationships that can produce ongoing leads
- Input leads that you generate into our CRM
